3. Information Shared from previous event	Goly gave an overview of the October STEAM night that included a shot clinic sponsored by Albertsons. Staff felt it went extremely well with several activities – making asphalt and learning about robots. Evaluation was that there needed to be more signage to get guests to the right spot and possibly some other games in the courtyard. 31 shots were given. Discussion followed about the date for the Winter Festival. It was decided that Friday, Dec.15 would be a good date and that the December STEAM night on Dec. 6 would be cancelled.
