1. ) Self-contained classroom:

Tried to find solutions with self-contained room – Mr. Wilken has been trying to meet with people and trying to get things resolved.

When we come back in January, we have 5 less students in the self-contained classroom – some moving out of district or going to middle school. We will have 7 students left in that classroom.

Mr. Wilken would like consistency in that room and to that end has requested help from Mr. Lambert and Dr. Trujillo.

Lambert and Dr. Trujillo have been trying to work on solutions to meet requests Mr. Wilken has made regarding that room. Mr. Wilken will follow up with requests and plans for this tomorrow.

Mr. Wilken is confident that Dr. Trujillo will support us.

2. Letter Grades:

At the next site council meeting we will talk about our letter grade, which is a D, dropping from a C previously.
